**Shout-Outs:** Steve Kenson—who wrote the magic rules in previous editions and pumped a lot of his ideas into *Shadowrun*—deserves special thanks and credit. Similarly, Michelle & David Lyons deserve recognition, as they did the bulk of the hard work putting the *SR4* magic rules together. We'd also like to thank Elissa Carey, Christian Lonsing, Heiko Oertel, Olivier Thieffine, Malik Toms, and Costan Sequeiros for additional input. Finally, Jason Levine gets a big cheer for stepping up to bat on short notice.
